PUBLIC NOTICE

IMPORT TRADE CONTROL.

New Delhi, the 16th February 1960

SUBJECT:—*Import policy for harmless food colours—clarification of remark (iii) against S. No. 34—37(a)/V in the Import Trade Control Policy Red Book (October 1959—March 1960).*

No. 18-ITC(PN)/60.—Attention of the Importers is invited to remark (iii) against S. No. 34—37(a)/V for Harmless Food Colours in the current Red Book, wherein it is laid down that every batch of the permitted food colours should be accompanied with a protocol of tests carried out on it by the manufacturers in the case of U. K., and in the case of U.S.A. no batch which is not certified by F. D. A. authorities will be allowed to be imported.

To clarify the above remark, the following note may be deemed to have been added in the appropriate place after remark (iii) against S. No. 34—37(a)/V in the current Red Book:—

Note.—The term "protocol of test carried out" would mean the methods of tests applied, the actual observation and data recorded during the tests and the results of the tests. The term "F.D.A. authorities" is an abbreviation of the words "Food and Drug Administration authorities" of the U. S. Department of Health, Education and Welfare, Washington 25, D. C., U.S.A.

K. T. SATARAWALA,
Chief Controller of Imports and Exports.
